FOUNDATION 1 & 2 — FAQ

FOUNDATION BEFORE COMPLEXITY

RESIDENTIAL • CROATIA • NO PARTNER REQUIRED

Is this program right for me?

Foundation 1 and Foundation 2 are designed for dancers who want to break habits, strengthen their understanding, and build a more connected, adaptable tango. The semi-private format allows us to give you individual attention while working with the specific questions that matter to you.

What is the training schedule?

Each foundation is a four-day intensive with approximately five hours of guided work per day: usually 2.5 hours in the morning and 2.5 hours in the afternoon. The remaining time is available for partner practice, individual work, rest, and integration. We change partners frequently so participants can experience how different people organize and communicate movement.

How many participants are accepted?

Each program is limited to a maximum of 12 participants. The small-group format supports individual attention, role balance, focused feedback, and a strong learning community.

Do I need a partner?

No. A partner is not required. Participants rotate during the training so that everyone develops adaptable communication and avoids learning only one partner’s habits.

What is the relationship between Foundation 1 and Foundation 2?

Foundation 1 establishes the shared principles and language of the pathway. Foundation 2 builds directly on that work; Foundation 1 is therefore required before attending Foundation 2.

How much does the intensive cost?

The tuition for each four-day intensive is €800 per person. A €200 deposit is required after your application has been reviewed and your place confirmed, and the remaining deposit €200 is due six weeks before the intensive. The balance of €400 is to be paid during the intensive.

How do I apply?

The Google application form will be provided in the information email. Deposits are refundable until six weeks before the intensive. If you cancel later, the deposit can be transferred to another FeralTango intensive.
